Join us for a fascinating presentation by the Gravestone Girls about New England cemetery art, history and symbolism. It examines why we have cemeteries and gravestones, why they look like they do and how styles and art have evolved over almost 400 years. Prior to the program date, The Girls will hit the road and go through Franklin's cemeteries, taking pictures to discuss during the presentation. Q&A is welcome at the end of the show! Our Gravestone Girl Brenda Sullivan is always the presenter of our programs, and if schedules allow, other Gravestone Girls will join us too! This program is free and open to the public.
